Welcome to Lafayette

While some people might still consider Lafayette a sleepy little town, those of us who live and work here know better. It's a unique, beautiful and vibrant little corner of the world, characterized by a blossoming downtown, terrific schools and a sophisticated yet rural atmosphere.

What really sets Lafayette apart is its true sense of community, evident just about everywhere you turn. Area schools rank among the best in the state, partially because of significant volunteerism by parents who know that being involved matters. You also see volunteers out on the field coaching, planning events, improving parks, building sets at the community theater or running a charity. Volunteers are also the backbone of our city government, as elected and appointed leaders give hundreds and hundreds of hours dedicated to improving our community.

The city's downtown area is alive with energy as new restaurants, retail shopping projects and thriving businesses turn what was once primarily strip development into a truly attractive destination to shop, dine and relax. Lafayette used to roll up the carpet and go to sleep at the end of the day, but an exciting mix of fine restaurants (our own "Restaurant Row") now serves everything from Japanese, Thai, Chinese, Mexican and Indian cuisine. With many eating establishments located within walking distance of each other, it's now common to see people strolling downtown in the evening, pleasantly nodding to neighbors as they pass on the street.

Live theater, art galleries, musical programs and a four-diamond hotel and spa also grace the downtown area. Perhaps Lafayette's community spirit is best exemplified by the effort to build our new Lafayette Library and Learning Center. Completed in 2009, the Library is a place where young families, retirees, empty-nesters, college students and professionals all come together around a program of lifelong learning. City Council, City Staff and the Lafayette Chamber of Commerce are working together on completing a new Downtown Strategic Plan to ensure a promising future. Hundreds of residents and downtown property owners and business owners have weighed in on what our downtown should look and feel like in the years to come.

This Business and Community Directory serves as a resource for learning a little bit about Lafayette, its local businesses and services, demographics, history, organizations and activities. We hope you'll use it as a springboard for exploring all that Lafayette has to offer! Shopping in Lafayette produces additional revenue for our city to thrive. Remember, when doing your shopping, TRY LAFAYETTE FIRST!

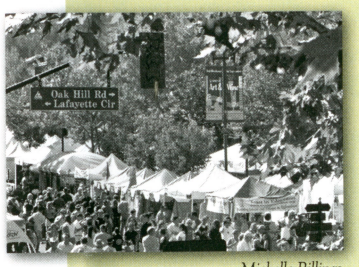
Community Events

A Taste of Lafayette

A Taste of Lafayette which debuted in 2003 offers a tour of many of the City's finest dining establishments with an opportunity to sample the signature cuisine of each restaurant. The evening begins at Lafayette Plaza with wine, hors d'oeuvres and music. From there, ticket holders go at their own pace to any - or all - of the participating restaurants. The evening wraps up back at the Plaza with dessert and coffee. Proceeds from the event are shared with the Lafayette Community Foundation. This event is part of Lafayette's Restaurant Row program each May.

Lafayette Art & Wine Festival

The Lafayette Art & Wine Festival, held each year on the third weekend in September, is the largest event in Lamorinda and one of the three biggest outdoor festivals in Contra Costa County. Over 100,000 visitors attend, strolling among the art, handmade crafts, sampling foods from top local restaurants, and enjoying quality wines and micro-brews. Non-stop musical entertainment on four stages throughout the weekend helps spark the block party ambiance. The "Premium Wine Pavilion" offering tastes of some of the world's finest wines. The event also includes a KIDS ZONE and a Local Artists Alley.



Michelle Billings

Lafayette Reservoir Run

The Lafayette Reservoir Run is the city's most popular "family affair," involving kids, parents, grandparents, and thousands of serious runners from throughout the Bay Area. 2,300 participants compete in a 10k, 5k or 2 mile race through the heart of the downtown, around the reservoir and back. Sprinters, walkers, the "stroller brigade" and many of Lafayette's top four legged residents share the streets on this festive Sunday morning.

The Chamber of Commerce and the City of Lafayette are co-sponsors of the Run which is traditionally held on the last Sunday in October. Beneficiaries of the event are the local schools and the services and programs of the Chamber.

Lafayette Chamber of Commerce

The Lafayette Chamber of Commerce has grown considerably over the years, but its mission remains the same as when it was launched in 1947:

"To promote and maintain a healthy business climate and to preserve and enhance the quality of life in Lafayette."

The mission is still relevant more than half a century later because it recognizes that businesses flourish as part of a larger community that must also be maintained and nurtured. **Representing more than 640 businesses and professionals in Lafayette and beyond, the Chamber:**

Provides opportunities for networking and referral, including monthly mixers, leads groups, membership luncheons, the "Entrepreneur's Club" and events such as the "Business Person of the Year" dinner and "Citizen of the Year" dinner and "Coffee with the Mayor."

Hosts opportunities for business promotion, including ribbon cuttings, the business-to-business EXPO, the Chamber newsletter, directory, and cooperative advertising campaigns.

Serves as an advocate for the business community, representing business issues and perspectives in public forums, including the Lafayette City Council and city commissions.

Sponsors and supports community events, including the Lafayette Art & Wine Festival and the Lafayette Reservoir Run which is co-sponsored with the City of Lafayette, bringing thousands of visitors to the city, benefiting businesses, commu¬nity organizations and residents.

We live and work in a special city that has outstanding schools, beautiful hillsides, quaint neighborhoods and shopping areas, and a vibrant downtown. We are blessed with hundreds of residents and business people who volunteer their time and money to create and run programs that have significant impact on our community. We are proud to be part of this community.

City Government

Since its incorporation in 1968, Lafayette has been governed by five non-paid council members who are elected at large for four year terms. The mayor is selected from the Council and serves a one-year term. The Council usually meets the second and fourth Monday nights of each month at the Community Center, 500 St. Mary's Road. An appointed City Manager serves as chief executive officer and is responsible for the day-to-day administration of city affairs.

Lafayette Schools

LAFAYETTE SCHOOL DISTRICT

Welcome to the Lafayette School District. A kindergarten through eighth grade district, the system includes about 3200 students in four elementary (K-5) schools and one middle (6-8) school.

The District offers a full range of services based on the needs of the students, yet the basic instructional day centers around the core subjects: Reading, Language Arts and Mathematics. As a result, the students continually score among the highest of all California students. Most will be college-bound after attending either Acalanes or Campolindo High Schools.

The overall success in the district is attributed to a strong, ongoing "Partnership in Education" relationship which exists among students, parents, faculty and community.

Persons who will have children attending one or more of the Lafayette schools should notify the district as soon as possible to help insure that their children's academic needs will be properly met.

ACALANES UNION SCHOOL DISTRICT

The Acalanes Union High School District is comprised of four comprehensive high schools, two alternative high schools, and an adult education program serving the communities of Canyon, Lafayette, Moraga, Orinda, and Walnut Creek. Acalanes High (1200 Pleasant Hill Road, Lafayette) and Campolindo High School (300 Moraga Road, Moraga) serve the Lafayette neighborhoods, but the District has an open enrollment policy.

The District ranks as the second highest performing high school district in California with an Academic Performance Index (API) of 868 with all four comprehensive high schools having an API over 800, which the state considers exemplary. The four comprehensive high schools have been recognized for two consecutive years by the California Business for Education Excellence (CBEE) Foundation as "Scholar Schools" for their outstanding academic performance. Student performance on the SAT and Advanced Placement (AP) tests exceed both the state and national averages. The District also offers outstanding extra-curricular programs ranging from the visual and performing arts to athletics to service clubs, which enhance and enrich a student's high school experience. Strong academic programs coupled with an outstanding staff (99% fully credentialed) provide students with the foundation that they need to be successful in life. Over 95% of the District's graduates attend colleges throughout California and across the nation.

In March 2005, the community overwhelmingly supported Measure A, allowing the District to offer all students a seven-period day; maintain and expand an already strong college preparatory and elective program with a wide-range of honors and AP courses; and reduce class size in English 9 and 10, World History, and Algebra. The District has implemented California State Standards in the content areas as well as a district-wide grading policy for all courses. While the primary focus is the academic achievement of all students, the District fully recognizes the social, emotional, and physical needs of students. The District has expanded its counseling program and Healthy Choices Committees exist at all schools.

In May 2006, after seven months of work by a 19-person core team, the Governing Board adopted a Strategic Plan which included the Mission - We educate every student to excel and contribute in a global society - which focuses and drives the work of the District. The plan also includes Strategic Priorities, Objectives, and Goals. Between October 2006 and February 2007, approximately 125 individuals were involved in developing the specific implementation Action Plans for the Strategic Goals.

Community support for bond measures in recent years has allowed the District to remodel and upgrade the school campuses so that they now enjoy new and remodeled classrooms; remodeled swimming pools and a new aquatic center; upgraded athletic fields; and new theater and fine arts facilities. The district has also invested heavily in wiring the schools for modern technology, and in providing computers and instruction in the application of technology.

District schools are superior educational institutions by every measure. A large part of the success is due to the tremendous support from the community - from parent clubs, booster organizations, educational foundations, community organizations, and local businesses. The community truly values the schools as an integral part of the quality of life in the Lafayette area.

Assessment results for the Acalanes Union High School District and the individual schools are available from the California Department of Education (CDE) at http://dq.cde.ca.gov/dataquest/

We educate every student to excel and contribute in a global society.

Lafayette Arts & Science Foundation- LASF

Formed in 1980, the Lafayette Arts & Science Foundation is a non-profit educational foundation whose mission is to support and enrich the education of every child in Lafayette's public schools. The organization's current budget is in excess of $1,000,000.

Through a community based effort, LASF is able to provide each school in Lafayette with hundreds of hours of top-quality academic enrichment programs and teacher training, primarily in areas of choral and instrument music, visual and performing arts, science, social studies, the humanities, mathematics and computer technology.

LASF unites the community in a goal of excellence for Lafayette's children. For more information, please write to LASF, P.O. Box 923, Lafayette, CA 94549. You may also call (925) 299-1644, email them at office@lasf.org or check the website at www.lasf.org.

Lafayette's Restaurant Row

We're eating out more often. Americans now spend 46 percent of their food dollars away from home, compared to 25% in 1955, and the figure is expected to climb to 53% by 2010. Where eating out used to be a luxury, it is now standard practice for so many busy families, who have to sandwich nourishment between work, carpool dates, soccer games, volunteer time, music lessons, play dates and even city council meetings.

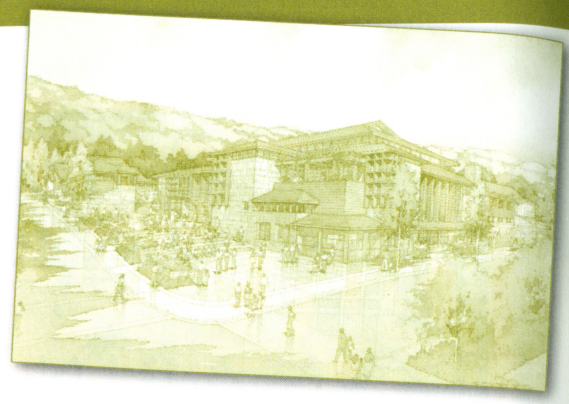
Restaurants do more than feed us; indeed, they often serve as that third place beyond home and work where we gather with family and friends to socialize, entertain and relax. Restaurants can nourish the soul as well as the body.

Luckily for us, Lafayette has grown into something of a culinary micro-Mecca, with more than 50 restaurants now offering a variety of choices ranging from haute cuisine to ethnic delicacies to family-oriented fare.

More than just fun and convenient, eating out is also good for our city coffers. In fact, 21 percent of our sales tax comes from restaurants – that's half a million dollars in revenue that pays for police, public works, parks and other city services. Another reason to TRY LAFAYETTE FIRST!

Lafayette Library
and Learning Center

LAFAYETTE LIBRARY AND LEARNING CENTER



A three-level structure, built in stone and wood in a contemporary Bay Area Craftsman style, the new Library is located in the heart of Lafayette - at the corner of Mount Diablo Boulevard and First Street. The site is walking distance of Lafayette Elementary, Stanley Middle School, senior housing, Lafayette BART Station and many of the community's neighborhoods. And it's on the primary local transit route - making it convenient to Acalanes High School, and Burton Valley, Springhill and Happy Valley Elementary Schools.

The location is great, but the big news is about space. The new facility exceeds 30,000 square feet compared with our old library's 6,720. That means there's room for all this and more:

- Collection of more than 110,000 books and audiovisual materials
- 42 public computers, a Technology Lab, and wireless connection
- 186 reader seats
- Separate Teen Area, Homework Center and three group study rooms
- Community Meeting Room with up to 150 seats
- Large adult area with quiet corners for reading and studying
- Storytelling and class visit space for 30 children
- Art & Science Discovery Center for 36-60 participants
- Outdoor meeting and reading areas
- Friends of the Lafayette Library used book store
- Lafayette Historical Society collection exhibit and storage space
- More than 80 on-site parking spaces

THE GLENN SEABORG LEARNING CONSORTIUM AT THE LAFAYETTE LIBRARY AND LEARNING CENTER

Lafayette believes that a library, in addition to being a resource center, should actively encourage learning and reflect the values, interests and passions of the community it serves. This belief has led to the extraordinary creation of the Glenn Seaborg Learning Consortium which brings together a dozen of the Bay Area's most distinguished public institutions and non-profits at a single site to offer a wealth of collaborative learning materials, workshops, archives, exhibits, curricula, lectures, films and discovery centers to the community and its children. Consortium members include: the Lawrence Hall of Science, the Oakland Museum, Chabot Space & Science Center, Commonwealth Club of California, the Oakland Zoo, John Muir/Mt. Diablo Health System, Lindsay Wildlife Museum, California Shakespeare Theater, Greenbelt Alliance, John F. Kennedy University, Saint Mary's College and the UC Institute of Governmental Studies. Named in honor of Nobel Prize winner and Lafayette resident Glenn Seaborg, the Consortium is housed at the new Lafayette Library and is the first of its kind at any American public library.

Shop Lafayette

With its tree-lined streets, small town atmosphere, and wide variety of shops, restaurants and specialty stores, shopping in Lafayette is just plain old fun!

But shopping locally also means you are supporting local businesses as well as the larger community. Nearly one third of the city's budget comes from sales taxes collected in Lafayette, and this money is used to fund street repairs, police services, youth and senior services and so much more. On a dollar basis, this means that approximately 12 percent of every single dollar spent with local businesses ends up staying in the community.

"Shop Lafayette," a campaign spear-headed by the Lafayette Chamber of Commerce, also helps support what has become a thriving and attractive central business district. New restaurants and retail establishments have joined long-time successful businesses in offering unparalleled, yet competitive, dining and shopping experiences. Whether you're hunting for a new coat, looking for a gift for someone special, need a haircut, desire a one-of-a-kind painting, or want to book a romantic dinner for two, look first in Lafayette–there's undoubtedly a business that can fill the bill!

Thank you for supporting local businesses and contributing to a sustainable economy

Back in December 2008, the Lafayette Chamber of Commerce launched a campaign to remind residents to "TRY LAFAYETTE FIRST!" when buying gifts, hiring services, and dining out—and the community responded with over 1,000 pledges of support! We've heard dozens of stories of residents who decided to patronize a local merchant rather than making purchases online or out of town. The response was so terrific, we have kept the program going.

We wanted to take this opportunity to remind residents why it makes sense to "TRY LAFAYETTE FIRST!":

- Local businesses re-circulate money in our community because local merchants patronize other local merchants, creating a stronger tax base for local public services.
- Local businesses are the largest employer nationwide, hiring primarily local residents including high schoolers and seniors.
- Local business owners often live in our community and are invested in the community's future.
- Local merchants provide better customer service and have a higher level of expertise about their products and services.
- Local shopping requires less transportation. Because Lafayette merchants are right here in town, residents save on gas and parking and reduce their carbon footprint.
- Local businesses provide the distinctive character and culture our community enjoys, and successful local businesses attract more of the same.
- Local businesses support local non-profits.

Important Reasons to Shop Lafayette!

In addition to helping maintain the quality of life by treating yourself to a pleasant, local shopping experience, here are some more reasons to Shop Lafayette:

Convenience: Save time and money by shopping near home.

Price: Local prices are competitive.

Service: When people do business with people they know, service and willingness to please are more apparent.

Product: A wide variety of shops

It puts your tax dollar to work helping your community!

The Arts

TOWN HALL THEATRE

The historic Lafayette Town Hall, which opened in 1914, hosts several of the performing arts groups that add brilliance to the local arts scene:

3535 School Street, Lafayette 94549
925-283-6673 • www.thtc.org

Town Hall Theatre

Town Hall Theatre Company

Established in 1944 as The Dramateurs and reorganized in 1992 as The Town Hall Theatre Company of Lafayette, it is the oldest continuously active live theater in Contra Costa County. Over the years the group has earned more than its share of "Shellie Awards," the County's equivalent of Tony Awards, for productions as varied as "Wit," "The Rocky Horror Show," and "Copenhagen." Each season brings six new productions to the friendly and intimate environs of Town Hall.

Town Hall Kids

The Town Hall Kids program introduces children and teens of all ages to the magic of theater. For preschool-aged children, the Rising Stars program is designed to introduce singing and movement to the youngest actors. Elementary school-aged children delight in participating in the Bravo program, with kid-friendly shows such as "101 Dalmatians." The Encore program for middle school-aged actors and the Ovation program for high school actors allow older students to refine their techniques in acting and musical theatre, while developing self-esteem, confidence, leadership, and team-building skills.

Lafayette Jazz Festival

This weeklong community festival features "students and stars" from the local middle and high school music programs playing alongside some of the best jazz musicians in the country. Professionals who have appeared in past sold-out performances include Hall of Fame Jazz singer Countess Felder, Tower of Power's Mic Gillete and a Dave Brubeck group.

Produced by the Generations in Jazz Foundation, the Festival is one of many activities organized by this group.

Others include the Jazz in the Park concerts held each week during the month of September, the Lafayette Summer Music Workshop, and Jazz Outreach, a program designed to aid under-funded schools with resources, information and opportunities in jazz music.

THE VISUAL ARTS

The appreciation of fine arts in Lafayette is evident everywhere–in prestigious galleries such as the Barclay Simpson; in one of the many shops committed to helping residents best display–or add to–their treasured collections including The Print Gallery/ P & L Framing, Keenan Heinz or Fastframe; or in one of the many businesses in town that hang the impressive work of local artists.

Lafayette Gallery & The Art Room

The passion for art is clearly evident at the Lafayette Gallery. The Gallery, a cooperative of 23 local artists will be celebrating its 10 year Anniversary this year, 2009. For the past decade the Gallery has collaborated with many community organizations and remains an integral part of the Lamorinda Arts Alliance. This diverse group of Artists changes the Gallery exhibit every 8-9 weeks allowing for exciting new presentations and themes for their shows. The members' work can also be seen in a special "Local Artists" section of the annual Lafayette Art & Wine Festival held each year in September.

Lafayette Gallery is housed with The Art Room, a private art school and studio offering a variety of art classes for children, teens and adults.

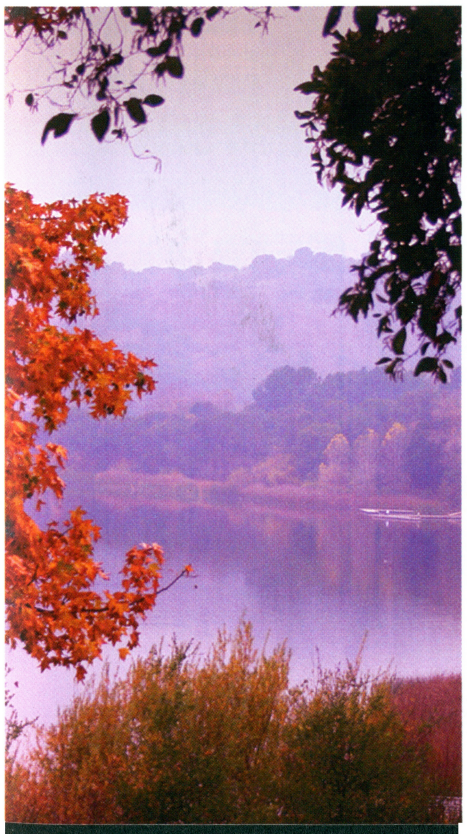
Lafayette Reservoir & Recreation Area

Located off Mt. Diablo Boulevard on the west end of Lafayette, the Lafayette Reservoir was completed in 1933 to be used as a standby supply of drinking water for East Bay Municipal Utility District (EBMUD) customers. The 925 acre site with a 1.4 billion gallon reservoir was opened to public recreation in 1966. Besides being used as an auxiliary water supply, the reservoir is a recreational area for hiking, fishing, boating and picnicking.

The recreation area is open year-round during daylight hours. Opening and closing times are posted at the gate. There is a daily parking fee for cars or a yearly permit may be purchased instead.

Fishing is $4.00 per day at the reservoir and the usual state license requirements and bait restrictions apply.

EBMUD and the State Department of Fish and Game plants many thousand catchable fish each year. The reservoir also contains bluegill, black bass, black crappie and several kinds of catfish and sturgeon.



Privately owned rowboats, canoes, kayaks and sailboats are allowed at the reservoir. There is a fee for boat registration. In addition, there are rowboats and pedal boats for rent at the visitor center on an hourly, half-day or all-day basis. No trailers are allowed.

Surrounding the Lafayette Reservoir are 135 picnic tables and barbecues to accommodate families and small groups. Most picnic areas are located near the dam; others are scattered around the reservoir and are accessible by boat or on foot.

Open fires and barbecues outside of developed areas are not allowed.

Two areas are set aside for groups, one for up to 20 with prior reservations. The other area can accommodate up to 250 people. There is a prepaid reservation fee required. The reservation fee will be refunded if 30 days' advance notice of cancellation is received.

There is a $6.00 per vehicle entrance fee for parking: meter parking is 50 cents per hour with a two hour maximum. Annual pass is $120; $60 for seniors.

Lafayette Community Center

If you haven't experienced the Lafayette Community Center, you're missing quite a treat! Nestled in beautiful Burton Valley, the Center has become many things to many people. It's a place where parents can enroll toddlers in safe, loving activities; where teens can attend drug/alcohol free events; where adults can choose the fitness program that suits them best; where people paint, train their dogs, sculpt, stretch, play guitar, dance, and have their chi strengthened. Lafayette Community Center customers wear sweats, tu-tus, T-shirts, cowboy boots, rollerblades and big smiles!

Call the Community Center at 284-2232 and request an activity brochure or, better yet, drop in for a visit any Monday through Friday between 9:00am and 5:00pm. We look forward to showing off our wonderful Center.

Lafayette History

Brown's Mill, Brown's Corners, Centerville, La Fayette - our community has had many names. It was officially granted the name Lafayette in 1855 when Benjamin Shreve, the town's first school teacher, applied for a post office for the village.

Located on land that once encompassed an entire Mexican land grant (Acalanes Rancho) and portions of four others, Lafayette was first settled in 1848. While the original land grant was made in 1834 to Candelario Valencia, the town founder was the third Rancho owner, Elam Brown. He bought the one square league Rancho for $900.

As the hamlet straddled the road that led from the Moraga Redwoods to the lumber shipping point at Martinez, early Lafayette became a stop-over spot for wagon drivers. When Brown established a grist mill in 1853, the center of the farming village moved toward the present Mt. Diablo-Moraga Road intersection.

Lafayette remained a quiet farming village until the post-World War II building boom turned cornfields into housing developments.

The City marked the 150th anniversary of the arrival of the Yankee settlers in 1998. Throughout the year-long Sesquicentennial celebration, several new monuments to our history were dedicated. These sites included the spot on Happy Valley Road where founder Elam Brown and his family built their first home; the site of the Pony Express Station which served from 1860-1861, located near the present intersection of Mt. Diablo and Moraga Road; and the homestead of Jennie Bickerstaff, the community's first teacher, in the Diablo Foods parking lot today.
